Corvelle Bank

Frequently Asked Questions

Customer information document — Effective January 1, 2026

Accounts

How long does it take to open an account in the app? Usually 24 hours after the video identity check. Your card arrives within 7 working days.

Can I have a joint account? Yes. Joint accounts can be opened at a branch with both account holders present.

How do I get my RIB? In the app under Account > Details > Download RIB. It is free.

Cards

My card is blocked after 3 wrong PIN attempts, what do I do? You can unblock it in the app the next day, or view your PIN in the app.

Why is my card refused abroad? International use is disabled by default. Activate it in the app under Cards > Travel, and check your foreign payment limit.

Can I change my card type? Yes, in the app or at a branch. The new card is delivered within 7 working days and the fee is adjusted on a pro rata basis.

Transfers

How long does a domestic transfer take? Standard transfers arrive the next working day. Instant transfers arrive in a few seconds, 24/7.

How long does an international transfer take? Usually 1 to 3 working days, depending on the currency and the receiving bank.

Is there a limit on transfers in the app? Yes: 50,000 MAD per day for new beneficiaries and 200,000 MAD per day for saved beneficiaries. New beneficiaries can be used 2 hours after being added.

Loans

Can I simulate a loan without commitment? Yes, in the app under Loans > Simulate. The simulation is free and does not affect your eligibility.

Can I postpone a loan payment? In case of difficulties, contact your advisor. A payment break of up to 3 months can be discussed.

Contact

How do I contact my advisor? Through secure messaging in the app, Monday to Friday from 08:30 to 18:00, or by booking an appointment in the app. Premier customers can also call their personal advisor directly.
